### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Greg Schivley on 3/16/2004.

The application has been amended as follows:

Nonelected claims 21 and 52-55 have been cancelled.

The following is an examiner's statement of reasons for allowance:.

The response originally mailed September 8, 2003 was apparently lost; a replacement copy of the amendment and stamped receipt card were received by fax on Feb. 12, 2004, and a replacement copy of the certified translation was received by fax on March 9, 2004. The certified translation is sufficient to remove Lee et al as prior art, and the amendments to the claims obviate the other rejections of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mary E. Mosher, Ph.D. whose telephone number is 571-272-0906. The examiner can normally be reached on M-T and alternate F.

Art Unit: 1648
